Key Features

- Easy execution of data inputs.
- Smart technology to meet AML compliance obligations.
- Instantly identify higher risk areas.
- Evidence your AML/CFT framework..

Our consultants will take care of your ongoing compliance whilst at the same time allowing your business 24/7 access to your compliance dashboard.

AML CFT compliance is not revenue-generating, but it is a core component for effectively executing business strategies.

For half the cost of an employee, we will provide you a full time AML compliance professional, along with access to leading regulatory technology and a complete, operational, AML/CFT framework. This enables your business to reduce your AML CFT compliance cost, eliminate the hassle and ensure that the burden on your organisation is minimised so that you can focus on your core business. That is our commitment. We focus on your AML CFT compliance needs, and you focus on your core business

ATTAIN GOALS

AML360 will manage your AML compliance obligations and ensure you are kept informed of any material issues. Quarterly reports meet regulatory requirements of ensuring your business retains required knowledge.
